If you are looking for tranquility, sun, sea views, good location, and closeness to first needs, it is undoubtedly your future home. Penthouse with 2 bedrooms in Montemar, close to the "La Bateria" Park, commuter train station, schools, shopping centers and 600m from the beach, it has sea views of most of the rooms and also from the roof where you can relax with a good barbecue before bathing in one of the two communal pools, the jacuzzi or enjoy a good sauna. The house is ideal as a first home, as a holiday home for its good location and proximity to first needs for investment. MDS1
