 Address: El Campello, Alicante

Modern villa, second line to the sea, with panoramic sea views. Villa Patricia is an exciting new-build project consisting of a high quality, contemporary-style villa that will be constructed to the highest standards, with modern specifications and installations. The villa design blends perfectly with the local environment and it affords plenty of outdoor living space, including a large 23m² covered terrace and a solarium of 65 m² with amazing views. In addition, there is an under-build of 115 m², which is designated for use as a secure underground car parking facility, plus storage space. The price includes a private swimming pool. The plot is found in the exclusive residential area of Coveta Fuma, at the northern end of the popular coastal town of El Campello. There is a beach within 60m, which can be accessed via a short path leading directly from the property. Access to the N332 national road is only 1.5 km, giving access to other coastal towns and to Alicante which takes just 15 minutes.- Key points:- Distance to beach 60m- Distance to shops 2.4km- Distance to town 6km- Distance to airport 32km- Ground floor will consist of spacious open plan living/dining/kitchen area with glazed doors leading out to a large covered terrace and the pool terrace, a guest toilet and a double bedroom with built-in wardrobes, an en-suite bathroom and a private covered terrace.- First floor will consist of two double bedrooms with built-in wardrobes sharing a spacious bathroom and the master bedroom with dressing area and a large en-suite bathroom with both bath and shower. On this level there are also two open terraces with wonderful views.- Villa specification:- Private swimming pool - Type infinity.- Low maintenance garden with artificial lawn, plus gravel surfacing and trees.- Garden terrace area with same porcelain tile surfacing as interior -anti-slip.- Ambience garden lighting.- Optional Barbecue kitchen.- Rainwater storage and recycling system.- Automatic irrigation system.- External double brick walls with cavity rock wool (or similar) wall insulation.- Aluminum exterior carpentry finish with stainless steel.- Thermo-insulated windows with aluminium framed, glossy stainless steel finish (24 mm).
