Address: Calpe, Alicante

Fantastic villa with seaview for sale in Calpe. This wonderful villa has been built in 2005 with high quality materials and a very solid cement structure. The house has 3 floors with a total of 475m² build. The underbuild with garage, bathroom and further rooms to habilitate has 200m². On the ground floor you find a spacious lounge, big kitchen with dining room and adjacent pantry, 1 bedroom and a bath. In front of the lounge is a big covered terrace with view to the sea and overlooking to pool. Next to the pool is a summerkitchen with BBQ, terraces and outside shower. On the first floor is the big master bedroom with dressing and bath en-suite. There you find 2 further bedrooms sharing a bathroom. Both bedrooms have access on a terrace with lovely seaview. The villa benefits from oil central heating, air condition h/c, double glazed security windows, mosquito nets, laundry room and alarm system. In the outside a drive leads to the garage and further up to the main entrance, with space to park several cars. A perfect villa ready to move in.
